

Whether you're a first-time visitor or a lifelong resident, this map will guide you to the abundance of travel opportunities Kentucky offers.

This year we celebrate Abraham Lincoln's 200th birthday and in 2010 Kentucky hosts the Alltech FEI World Equestrian Games, the world's largest event dedicated to horses. To catch our Unbridled Spirit and learn more about Kentucky, visit KentuckyTourism.com

safe patrol

The Safety Assistance for Freeway Emergencies (SAFE) Patrol is a program designed to aid motorists and assist with incident management.

SAFE Patrol operators patrol an assigned interstate or parkway. To assist motorists, they can provide gasoline and oil, add air to tires, change flat tires, provide a "jump" for dead batteries, and perform other minor automotive repairs.

Operators also work to prevent traffic crashes by removing debris from the roadway and tagging abandoned cars. SAFE Patrol operators are trained in traffic management and at the scene of a crash can, if necessary, render CPR and first aid, while message boards on top of the vehicle provide instructions to motorists during an incident.

To request SAFE Patrol call the Highway Hazard Hotline at 1-877-FOR-KYTC (1-877-367-5982)
